“ I am so sorry for your loss. The Collier men have all died too soon. I knew Lonnie & David when we were teenagers. And even back then Gary was the rock of that family.

“ Gary was one of the Most Sincere an Honest Humble Man whoever walked this earth. I truly i enjoyed his company every time I cut his hair. It was a Great Joy to have known him. He was the utmost Father Figure that i have known. He raised one heck of a Son (Bobbie) who is so much like his father. I will miss seeing an having conversations with him. He loved his family an his siblings so much!

“ So sorry that Gary is gone. We have missed him on our Florida golf trips. He set the example for sleeping with his flat on the back, fall asleep immediately method. He may have been the longest driver in our golf group, but you never knew where it was going. For instance, the one that landed on top of the building across the street. The NCHS community has lost a fine gentleman. Steve Davis - NCHS 1964.

“ My father John Byrom worked for Chrysler Mopar, as did I. My Dad got several men from our neighborhood jobs and Gary was one of them. Dad was lead maintenance when his work partner retired he recommended Gary for the position. A lot of times as my dad grew older he would ask me about Gary and he would always follow up with I never regretted getting Gary Collier hired on at Chrysler! I always thought that is a great tribute!
