“ Harris Family,

*I only met your patriarch once . . . but that was enough for me to understand why all of you are such great people.*

*I cannot imagine the pain you are going through. I cannot take it away--no one can. I just want all of you to know you are in my thoughts and prayers during this breathtakingly difficult time.*

*All of you are your patriarch's legacy . . . and what a wonderful legacy, indeed--An awe-inspiring testament to a life exceedingly well lived!*

“ we were saddened when we heard the news that Bob had left this earthly life. He will be missed. He leaves a legacy of love and great memories of a life well lived. It is very difficult when a loved one moves out of our physical sight... But a loved one will never move from our hearts. I pray that the love of Jesus gives each one of you what you need to help you during this time and always. Love all of you forever!
