“ I just received this sad news yesterday. Bob Pat was an anchor for all his years at GSA. I remember Bob fondly as he supported many of us at GSA during challenging times.

He was kind and considerate. He was generous with the fruits of his many gardens bringing the bounty share at work all growing season. His blueberries were magnificent! I remember visiting his garden when my two daughters were tiny. They could not believe that Mr. Patrick said that they could simply pick and eat!! Boy did we have a messy drive home that afternoon.

You are dearly missed.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.
