“ Well Bob it is going to be hard for me looking across the street everyday and knowing that you aren't there. It's been 28 great years being your neighbor and friend. I matured in so many ways with the guidance you gave. I am glad that I had enough sense to listen. You have been my rock. I leaned on you more when Tony passed 5 years ago. You helped me identify snakes so I wouldn't run every time I saw one while cutting the yard I am truly grateful for you letting me be part of your extended family. You will always be in my heart. I will never forget you. Now you are with Sybil and I know you are elated. Until we meet again my friend. You have run your race. WELL DONE>

“ I met Bob at Fairburn Banking Co in 1976 - and discovered that I worked with his sister, Mary Campbell. A good Christian man with a cheerful attitude always. Lots of family to meet him at the Pearly Gates. God's speed Mr. Bob! Your friend, Ruth Peeples

“ I met the Frady's when I was a child at the First Christian Church in College Park. Bob and daddy were in the "Fisherman's class and Sybil and mama were in the "Willing Workers class. I met him again when I started driving a school bus in 1984. Then in 2000 we bought the house across the street from their farm, "Chigger Hill Farm" where he raised Red Angus cattle.

Living across the street for 21 years I got to hear some of the most amazing stories of his life. Some were stories of his time in the Navy. But my favorites were his life growing up in this area. He was so knowledgeable about the history of the area. I could sit for hours listening to them.

After Sybil passed he would go every Sunday to visit her and put flowers on her grave. I wish everyone could have a love like that. Mr. Bob will be missed by a lot of people. But he will be with the love of his life Sybil walking the streets of gold.💔😭
