“ I knew Robby for many years before he came to Epps. Chatted many times while in the library and he was a neighbor in my old neighborhood. He will be missed.

“ Robbie, I had the pleasure of knowing you for 19 years. I will miss our Monday morning chats about Formula 1 racing. You were also very much involved with the toys for tots collection each year and showed great pride in filling the box. My deepest sympathy to your family. Andy Fuller or old bean as you called me. Rest In Peace my friend.

“ *Robbie, you were a very kind soul. I enjoyed working with you through out the past years. I was especially touched by a memory of you personally walking around a box of beautiful jewelry pins this past Christmas to hand out to all the Ladies as gifts. It was so sweet and thoughtful and meant a great deal to me. I will have that pin to wear now and cherish your memory. Live abundantly in heaven now, my friend, and many prayers of peace to your family. Deepest Sympathy, Kristi Bird*

“ *I'm very sorry to hear of your passing, Robbie. Although we didn't know each other well, I have appreciated your calls and visits to the Front Desk of Epps all these last months on the weekends, to tell me that you were back in maintenance working, or going home! Now you have truly gone home. Many Blessings to you in Heaven now, and to your family.*

“ 31 years ago we met at the Downwind restaurant. Within 30 minutes of meeting each other, we got into an argument about god knows what. I knew right then we would be long time friends. Going to miss our Warbird and auto racing conversations. Godspeed my friend.

“ Robbie was a kind soul who went out of his way each year to help with Cap't Herb Emory's Toys for Tots drive. Not only did he collect toys at his place of employment he also help out on event day. He was always one of the first to show up and one of the last to leave. he was tireless in his efforts those days. I will always have done memories of Robbie. My condolences to Carolyn and all his family and friends.

“ Robbie was a friend and a coworker for 23 years. Robbie held the responsibility for our repair station in my absence and was always passionate about doing the right thing. He had little tolerance for those who did not follow the rules, which made him very good at his life long profession. He certainly did have a passion for the P-51 Mustang and all war birds for that matter. I am certain he is maintaining a heavenly fleet right now! Dan Lane

“ Robbie Stuart was a dear friend who crew chiefed my P-51 Mustang for 11 years. He was a wealth of information regarding all things aviation, however, his true love was "War Birds". We met through our involvement with the Confederate Air Force and our shared love of "Old Boy", my P-51 Mustang. Robbie was always willing to do whatever he could to help me keep the old bird flying. I will always cherish the memories we shared.
So long dear friend! Steve Collins
