“ *Michael was a sweet man, that I've known for a long time. We had reacquainted when his brother, Terry passed. I am so glad that I had the opportunity to see and talk to him again. He always had a lot to talk about and we could be on the phone for hours. He was a great guy and I'm gonna miss him. My prayers are with Melissa Ms. Watson, as they have been through so much in the past 2 years. Keeping the family in my prayers.*

“ *When I think of Pro, I always think of a great guy. One of my vivid memories was just a night hanging out with my brother and his band. Pro, Jimmy, Dallas and a couple of others sitting around watching an Allman Brothers' video. The thing is, they weren't just watching it, they were studying. I was fascinated listening to the guys watch and critique this amazing band, I guess a bit like football players watch films to improve. Mike was a kind and good man. I know my brother is torn up about the loss of his friend. May you rest in peace, Pro.*

“ I knew Michael, as I knew him, as my partner in the band GALLEON for several years. He could play and he could rock. I was very glad to know Michael and I'm sorry we lost touch over the years. He is in a better place now and I'm sure Michael is rocking out even harder than ever!
