“ My deceased ex husband, Eric Weegar, and Rocky were classmates briefly at Brown High in Atlanta. Eric thought the world of Rocky and became a Tech fan because of his buddy going to school there. Sadly our son and I lost Eric twelve and a half years ago and so I like to think of him being there to greet Rocky in heaven. I think they'll have a lot of stories to share. My son and I want to extend our deepest sympathy to your entire family and are praying for your comfort.

“ I met Rocky back in the early 90s when we moved to the Rico area and my son joined Troop 717. As a result, I shared many a trail and campfire with him over the years. Rocky was one of the finest, most generous human beings I have ever met and he became a great personal friend to our entire family. We will miss him dearly! God Speed and Rest in Peace Rocky. Sincere condolences and prayers go out to the entire Reeves family from the Reid family.

“ Our love & prayers go out to all the Reeves family, Pat, Claire, & Mike. I graduated in 1971 with Mike one year behind Rocky. He was one of a kind, very smart & very likeable. I do believe he was born to be successful. My parents, Glenn & Hettie Ratliff & The Rohrbaugh's & Betty & Earle Reeves were very good friends back in the day. I will hold these memories close to heart. Rocky has left us way too soon. Please wrap your arms around each and everyone of the family in hope that they find some kind of peace & comfort during this difficult time. Love to all.....Cindy & Dennis Farr

“ I went to high school with Rocky and Mike. I graduated in the same class at Campbell HS with Rocky in 1970. Two of my parents best friends were Betty and Earl Reeves. Rocky was always an icon of success to the rest of us and admired by all. Sadly, like his father, he was taken from us much too soon. I am fortunate to have known Rocky and all the Reeves family.
