“ I've known Ronnie for most of my life. He was a very kind and good person . My heart just aches for you Mary, Julie , and Crystal.

I ask God to comfort your hearts and give you strength to get through this . One of the comforts is , knowing where he went when he left the other day, and all the relatives he's reuniting with. And the promise of knowing we'll all see him again, someday. May you feel God's presence beside you in the coming days. David and I love y'all, and we're gonna try to make it to the service to celebrate Ronnie's life. May God bless y'all.
