“ *Dear Scott,
I'm so sorry you were alone when you passed. I hope you weren't scared. We had talked about how sick you were. There wasn't much you felt you could do. Although you didn't feel your end was so near, your spirits were good. You even comforted me about my troubles. I really appreciated your friendship. Thank you for being a true friend to Michael. He really needed it. We are going to miss you so much. Sorry we didn't make it to Cali. I know you wanted to go. Hope you're feeling no more pain.
Love you Kiddo. Linda (Michaels Mom).* ”

I know what it is like to lose a grown son. I know what it is like to wish our children had better lives. I did not know Scott during his troubles. I can say he was kind to me, polite, and respectful. We enjoyed talking about things and laughing. He will be missed.

*I am so very sorry for your loss,

“ Scott's been my friend since the late 80's and though Life never stops changing there is one thing that remained the same through all those years. It was that each time I saw Scott, it didn't matter how much time had pasted, he'd always say hello with a big smile that was followed by a even bigger hug. He will be missed. Prayers for peace, comfort, and strength to all those hurting especially Scott's family.
