“*Hello Carol, I can't simply share one memory. Being around Ron for a number of years the stories just add up. The One consistent thing to every story, and I mean every story is a Smile comes to my face. Ron touched so many lives in a very positive way. I know he did mine. What a blessing it was to know him and spend the time with him I was able to. Ron was the true meaning of a Friend. He will be tremendously missed. Carol, my prayers are sure with you and your family. Mike Rainwater*

“ When I first started at Delta Ron took me under his wing. He welcomed me into the Bucks family and taught me so much. Ball yes, but mostly life in general. Ron was quite the philosopher and so caring. Such great memories that will stay in my heart forever. I am just getting this sad news, as I am so not connected these days. I want to send my sincere condolences to the family. I know Ron will be with you all forever! Gary Fisher

“ Over the years I have enjoyed a dear friendship with Carol and Ron; whether it was the wild adventures with the Delta Airlines ball team "The Bucks"; working together at Delta, sharing a favorite beverage or those phone calls - all were special memories. Thanks from me, friends and your family for making such enjoyable moments. Ron; you now have "new wings", flying high and I'm sure telling some **VERY TALL TALES!** I LOVE AND MISS YOU! Dave.
