“ Rest in peace, Mr. B. Fly high with the angels and finally, rest. I know you and Mrs. Sherry are looking down over us. Thanks for the memories and your sense of humor that could brighten anyone's day even if it was your worst day. Dus and Nikki, I am so sorry to hear this. I'm always here if y'all ever need anything. I know both of your parents are so proud of the people y'all both have become. Praying for you all ♥

“ I remember a time when Bryan was quite young and visiting our house when I heard a desperate cry for help. I ran to his rescue only to find that our vicious cat named Albert had him cornered and was threatening to strike. I loved him and I know that he has found peace forevermore in that house not made with hands eternal in heaven. RIP
