“ *Ronnie worked in his yard all the time. He was never a sit around person. He hired special tree removal services that promised that they would not let a tree fall to the ground and damage his yard. A beautiful pond, tons of bird houses and feeders loved that yard too.*

*He loved to go to the Gulf Coast Gulf Shores I think at Thanksgiving to fish for a month. He hosted huge fish frys.. Friends and family just came and went when they could!*

*So sorry Gregg and Jennifer and kids, he loved you all so much.*

“ *I have so many sweet memories of visiting with Uncle Ronnie and Aunt Ann. After moving back to Georgia, as a child, it was so special to have a large family to get together with for holidays and special occasions. I have always missed those days and today I am missing them more than usual. My love goes to all who are mourning the loss of this sweet man. He is missed.*

*Ronnie, we go back many years ago when we were teenagers. My girlfriend and I used to double date with you and your cousin and sometimes hang out at the old Palmetto gym where we would skate. So many years. So many memories. May God comfort your family and friends. Rest In Peace my friend.

“ *I had many, many good times growing up with Uncle Ronnie hunting and fishing and just loving the outdoors and hanging out at Deer Camps! He would pick me up early on Saturday or Sunday morning and we would spend all day on West Point chasing bass and hybrids schooling and just have a blast!!! He was always in a good mood, always smiling and telling jokes! He loved my Granny and Granddaddy and they loved him too! He would come by Granny's house and sit for hours talking about the old days! So sorry for your loss Gregg! He was a great man and he will be sorely missed!! God bless all of the family!*
