“ To my grandmother roxy Charlotte Coffey, you will always live on in our hearts not as you were in the end but as you when when you lived your life to the fullest, let not this day be a sad one instead of crying tears of sadness cry tears of joy for the fond memories you have of her. Be happy she is no longer suffering and be happy that you knew her as she was before this evil disease took her life.

“ To Roxies family, Karen and I are sorry for your loss but know Roxies at peace now and not suffering any longer. See was a wonderful and fun loving person all the years here at Owens Corning. She showed all of us how to work hard and be a great employee and friend to all. She made Karen, my wife, 3 Ceramic Black Kittens for her birthday in 1979. We took them off the shelf yesterday and dusted them off and shine them up in her honor. Thanks for loaning her to us for all those years here. May GOD give you strength in the difficult time. Shes well now, no more suffering.
