“ Roy was my friend for many years. We worked in the Radio shop at Delta and made several trips to the M/C races in Daytona together. On one of the trips Roy and Gary Dean told me I would have to ride a mile behind them as I was on a Honda instead of a Harley. Roy drove me back to Daytona one year to retrieve my bike that had broken down during bike week. I agreed to pay for his fuel not knowing that his truck only got about five miles to the gallon.

“ Our heartfelt condolences to the family. It is our prayer that God will bring much comfort to the family in the days ahead. Jehovah God has promised us a time when sickness and death will be no more. Rev. 21: 4 tells us: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” May the family have comfort and peace during this time of great loss.

“ Mr. Roy Wilson raised some good kids! Whenever I visited the house in East Point, when we were in highschool, he always seemed to be tinkering with the Harley; so that's how I'll remember him. My deepest condolences to the entire Wilson family.

“ *My grandfather was a wonderful, loving guy. In my eyes he didn't say much, but he didn't have to--we understood each other. I only have happy memories of him(from playing the plane game on his computer to riding the tracker) & those are the ones I will cherish forever. I miss & love him.*
