“ I will truly miss Tim and his dry sense of humor. I could always count on him for a laugh or interesting story. My deepest sympathies for you lost. I still find it hard to believe.

“ My deepest sympathy to the whole Schell Family. I considered Tim a good friend of mine and was deeply saddened to hear of his passing. Tim and I were colleagues for many years and shared many in-depth conversations personally and professionally. He was a wonderful man and epitomized the best of a dedicated Nortel employee. Tim will be very much missed by all, particularly by his friends and co-workers.

“ I could not believe the words "Tim has past away". He was my friend, co-worker, and advisor. When I was down, Tim was always there for me. When I needed a helping hand, Tim held his hand out to me. We have shared many hours talking with each other during our years at Nortel and I truly will miss him. The last gift I received from Tim was a carved egg he completed and I will always cherish it. My sympathy goes out to the family and friends. May GOD bless you during this time. A friend forever, Janelle
