To the family of Roy, I am deeply saddened to hear of the passing of my dear friend. Roy and I worked together over the years and called one another brothers from another mother. He will truly be missed.

“Wow, Roy was a really good friend of mine growing up. I remember hanging out in the old neighborhood with his sisters, all the fun we had in Boy scouts and all the good times that we had when we were kids. Just like Roy used to say, "there was a story on every corner" of that neighborhood we grew up in!

We were the original "gen x" crew, cutting peoples' grass in the summer, hanging out at Independence Park, tree forts, bb gun shooting, fishing, walking to Circle K playing videos games, riding mopeds, anything to do with the outdoors! Roy and I never went in the house unless it was time for bed or we got in trouble! He was an awesome friend and his family felt like my own as we were always hanging out, it's a shame how fast times moves and how quickly that you lose touch with people.

Enclosed is a picture of us in the old neighborhood "back in the day" and to Roy's sisters, mother and father I am deeply sorry for your loss

“ Our brother will be missed so much. I know Dawn Elizabeth and I (Hope) will miss those talks about many different things. Roy had an unconditional love for us. We will miss those evening phone calls and random post. A piece of our siblings maybe gone but will not be forgotten. RIP
