“ Dad,

i'm so glad that i got to spend several quality days with you before you left us. I enjoyed caring for you as I could, although it will never amount to what you did for all of us.

Always know, that YOU and MOM did a LOT right Dad.

You may not have been "perfect" as they say, but you were the perfect Dad for us.

Love,

Ricky

“ God is good and faithful. Know that He answers prayers but not always as we expect and God will continue to comfort you and draw you close.

May you rely on one another and the help of friends. You are not in this alone.

Prayers from my family and the C2it Ministries ladies group.

“ I was saddened to learn of the passing of Royce. He was such a nice person, and all around human being. I feel Blessed to have had the opportunity to have our lives cross on this side of Heaven. From my family to the LeVaughn family, we know you will miss him sorely, but hold close to your hearts all of the wonderful memories you created together in this life. God Bless you all...

“ I never really called the Coach by his name.He coached me as well as others in little league football for the Fairburn Flames. One of my memories of him as my Coach was that when we all had to run laps I always had to run an extra one or two. He always told me it was because my Dad told him to make me do it.Never really knew how true that was.As a teenager I was hired for my first job by him to work at his sporting goods store in Fairburn.I would see him and Mrs.Kay almost everyday.After graduating in 1986 I never seen him or Mrs.Kay again until 23 years later. What a blessing it was to see them both again.The first words I spoke was Hey Coach! These two were always a Father and Mother figure to me growing up... To my Coach,my Employer,my Father In-law.My greatest blessing from you and Mrs.Kay and your family was accepting me to be a part of it.I love you Coach and you will be missed!

I had the honor of working with Royce in the Atlanta FSDO. He was a great mentor, and always willing to help out. I think he was the type of person that made a difference in what he did and in the way he was willing to help others. I am so very sorry for loss.

“ Royce was a great mentor and friend. I love how he lovingly spoke of his family - wife, children and grandchildren. They were so important to him. He was a golfing buddy to so many and loved the game! At work, he was dedicated and always took the new inspectors under his wing. How I will miss him! I pray for God's loving arms to enfold Kay and the family during this very sad time. Thank you Royce, for the helping hand and encouragement in my coming to the FAA! You were a dear friend to both me and Bernie and to so many others!
