“ *Butch, Loretta and family please know you are in my thoughts and prayers. To lose both your parents within a month is so so sad. Mr Bennett was such a sweet and kind man who will truly be missed. Later as years went by, I was always so happy to see him when he came into our office. The doctor told him he didn't need to come back anymore for yearly exams and Mr Bennett (PawPaw) said "well when will I get to see my girlfriend then 😭". Thank you for all the kindness you showed me through all these years. Your Girlfriend, Donna Jones*
