Sallie was such a sweet girl-I missed the times we had at Carroll Tire. Now she is with Gampapa-RIP Sallie. Such a sweet video-never got to see Jenny & Bobby(except when they were very young) until this video.

“ Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart. Just learned today about Sallie passing but not in time to attend the funeral. I wish that I would have known and would have certainly been there. I worked with Sallie at Carroll Tire and also my husband Don and I bowled with her in league bowling. I will remember Sallie as a beautiful, loving, fun friend who I lost touch with. She was very loving and fun to be around. Our deepest condolences to all of your family.

“ My heart is sadden to hear of the passing of Sallie today. In my eyes, Sallie was so smart, funny, confident and beautiful. All I aspired to be! Wonderful fond memories living next door to Sallie on Woodland Drive i.e. playing in the creek behind our houses to learning how to drive a '57 GOLD FORD "T " BIRD convertible! Imagine two teenage girls driving all over our two properties! Our parents were livid but eventually laughed at the craziness at our teenage years. Growing up in Hapeville, GA with neighbors like "The Carrolls" and all wonderful neighbors on Woodland Drive, Forest Hills, PRICELESS!
THINKING OF YOU MS BETTY & SUSIE. Thanks for the memories, My Love to you, DENISE WARD

Sallie was a classmate of mine but I didn't know her very well - we ran in different circles. She was always friendly and outgoing. I was a bit jealous of her beautiful and expansive wardrobe - she was a true fashionista and I admit I based my back-to-school purchases on what Sally and Susie wore. And who could forget that red mustang!

I never saw Sallie after graduation, but hope she had life full of love and adventure. My condolences to her family and many friends. Gone too soon...
