“ *Mama I will miss you forever, you were the one any of us could turn too, you were so kind and beautiful, always right about everything even if I did not want to hear it...My heart is broken into a million pieces, in these cases I would run to you for comfort, I have some family but it's hard to explain how you were the only one to understand me. You are my world and my everything, I will make you proud of me..I love you so so much.*
