“ Mike and Donna and Family, I am sorry to learn of Sandy's passing. The only time I was acquainted with her was in our EMT class years ago. She was so funny and easy to talk to. I know she will be missed. You are in my prayers. Linda Farr

“ It Was May of 1989 and I was taking my kids to Cochran Mill Park when I saw the man hanging the for rent sign on a tree in front of this ragged old house in Palmetto. The kids and I spent the day at the park and then I returned to discuss the house after taking the kids home. Certainly could never have guessed that day that you and Sandy would become such an important part of my life for the next thirty years.
My heart hurts really bad for you right now Tommy and I hope that God will grant you the peace and strength and honor to get through the times to come. She will be greatly missed.
Our deepest sympathy and Love,
