“ Sandra was such a joy to be around, always positive and upbeat. She was such a great neighbor and friend to my mother for the last 22 years. Her heart for animals was boundless, taking in any stray that needed a home. We loved being able to walk over and share a glass of wine and catching up with her on her adventures with her much-loved family. She sure enjoyed the sailing trips they took her on every year. Sandra was a beautiful soul and the Goshen Creek Valley lost one of its dearest residents. It's good to know that she is back with AI now.

“ Sandra and I grew up together as we were only six months apart. We spent every possible moment with each other. I even claimed Mama Latham and Aunt Margaret as my own. She loved cats and fed many as well as a dog or two. She will be missed and I will always hold those childhood memories in my heart. I loved her and will miss her. My thoughts and prayers go to her sons and families as well as Tommy and Elaine.
