“ *My condolences to the Alford's on the loss of Sara Ann. She was an energetic, principled and compassionate woman, and a second mother to me when I was a teenager. When I was in need of a parental presence, Sara Ann was more helpful to me than she knows. I grew to love and treasure her as a guiding light during difficult times.*

*I reached out to her just a few years ago to say hello and give her an email update on how things have gone for me. To my surprise, she responded, and with the same grace and care she always showed me.*

*I will never forget my time with the Alford's and I wish them peace and serenity during this grievous time. Paul, Robert, Dan and, especially Paula, be happy in the knowledge that she was a great one and I will never forget her and what she, and all of you, meant to me.*

“ Sara Ann and her family has always been a part of our family. She has a laugh that was infectious to others. I remember walking the foundation of her house as a kid. Always loved it when I got to eat something she cooked. The memories are numerous. Prayers to the family during this time.

“ *"Miss" Sara Ann was such a wonderful person and my neighbor for the 36 years. My kids and my grandkids sorta adopted her as a grandmother and greatgrandmother. Me and the grandkids would go for walks from my house and most times end up at her house. They loved her and going there, her and Mr. Paul would drag out all these toys for them. I am going to miss her so but I know she is in heaven now. Prayers for Mr. Paul and family. Jenny Hopkins*
