“ Darryl, I am so sorry to hear of the loss of your mother. Losing your mother is one of the hardest things that can ever happen to you. I remember fondly the days when we were young in Stonewall how she had so much love for everyone, no matter who came in her door for a drink of water. I will be in prayer for you that in the coming days you can find peace and comfort knowing she is at rest in the arms of her Lord.

“ To the Brock family, I would like you to accept my condolences for your loss.

Although you are mourning at the time being, please remember the scriptural promise for the future.

How wonderful it will be to see those we love that have passed away be resurrected again without any pain, sickness or even death. (Revelation 21:3,4)

I truly hope your family and friends are comforted by this scriptural promise for the future.

“ Thinking of all Mrs. Sarahs family as her journey here on earth has ended. What a glorious day it was for her knowing she was a godly woman, meeting her creator and reuniting with those gone on before her. May God comfort you all on the next few days as you lay your mom, sister, nanny, aunt or special friend to rest. Mrs. Sarah I knew from working at Campbell High School when I went there in the 80's. She always had a sweet spirit about herself and everyone loved her. Dana Brock and Courtney Livingston I know you will miss her as well as many others praying for you guys.
