“ I remember when my Grandmother, June Moore, told me that my Great Aunt Sarah was a twin along with my Great Aunt Linda! I was a child at the time, so I was in awe! My Grandmother June loved her sisters! She would talk about them often and even when her Alzheimer’s took her memory, she still remembered Sarah and Linda! My heart hurts for your loss! I know she leaves many happy memories and I hope you will find them comforting in the days to come! You are in my thoughts and prayers! Love, Heather

“ I was so sad to hear of my Aunt Sarah's passing. Sarah was a very special Aunt and I have many fond memories of her and the family visiting our home in Tennessee. I especially remember all the gatherings at my grandparents (Septimus Henry and Texas Blackeye Currey) home when all of the nine siblings and cousins celebrated the holidays. I especially remember summertime visits to Atlanta when I got to spend time with the Gupton family and my cousin Sandy. Those were truly fun times and Aunt Sarah always made me feel very welcome. We have lost a special family member. My heartfelt condolences to all family members on Aunt Sarah's passing.

“ Aunt Sarah was a special aunt and loved dearly by my father, her brother,
Robert Currey. We all enjoyed her visits with Harry and family to Tennessee.
Her special smile was a comfort to all who were around her. She was always
ready to enjoy a phone call to catch up on family members. Her memories
will be with me for a long time as I cherish her Handcrafted Christmas Cards she made over the years. They are stored in a Christmas box and shared
With others many times. My sincere sympathy to family members as we have

lost a very special family member, my Aunt Sarah.
