“ *The many conversations of hope and positive thoughts that Sarah shared with me while I worked with her at Turner Broadcasting were truly a blessing.*

I would often go home and share them with my husband to remind us what life is truly about and how you should live each day. I am a better person for having been in Sarahs midst.

I just lost my father on October 28th and I pray continued joy, peace and blessings to the entire family as you continue to cherish her until we all see her again.
