“ *My dearest Harvey, Lance, Kim, Tracey and extended family
There's not enough words to describe my heartfelt sadness to
express my condolences. There will always be a special place in my
heart for the love and friendship I had with Sarah during my life time
starting as a toddler to adulthood. We had a unique bond and so
many life lessons she shared with me that I will always keep close
to my heart. I am so grateful to have had her in my life all these
years, as well as with the entire family. May the Memories Forever
Live in Your Hearts as they will always be with Me. May Peace Be
with You. Much Love, Cheney*

Ms. Ogle was such a huge part of everything at CHS. She was our cheerleading sponsor, PE teacher, organized a lot of the Homecoming festivities but most of all she was a friend and mentor to many. She was hard on us and didn't cut us any slack especially when we had to run our 2 miles in 8th grade. We are better people for it! I'm glad I was in high school at a time when teachers truly cared about us and encouraged us to be better. She will be missed by so many. Prayers for all of your family.
