

Scott King

August 19, 1969 - November 7, 2020

Mr. Scott King, age 51, of Newnan, passed away as his time on Earth was complete and he was called Home Saturday 11/7/20 @ 12:09am. His Dad at his bedside holding him just like when he came into this world 51 years ago on 8/19/1969 @ 11:30ish am. What a blessing to have your Dad welcome you into and be with you as you exit out of this world.

He was the best son, brother, uncle, and friend to all. To our family he was the centerpiece, the icing on the cake, the missing link, and the cherry on top. He was the Ying to our yang. To his friends and co workers past and present, he was the let's have a good time, laughing jokester, happy go lucky Friend.

Always had a smile and a welcoming friendly disposition. He could be serious and stern, but right after he was right back to giving hugs and handshakes.

Our lives will never be the same. There is a void that will never be filled, heartache that will never heal, and loneliness only Scott could shield. We have comfort knowing he lived his life to the fullest, and truly wanted to see others happy and successful. He helped out where he could, and did it often. Even over the past 5 years after having multiple health issues, he never gave up no matter how difficult his life became. He was able to start his successful trucking company while going thru the toughest time in his life. Nothing stopped him. He had faith in the Lord and when he ascended into Heaven our Mom, and other family and friends, rejoiced and said "let the party begin." We will miss you until the day we join you. Until then, keep "putting out fires and saving lives" and keep "trying to solve those world problems." You have all the

answers now!! We love you. Rest in Paradise.

He is survived by his wife, Kari Hood; father, Donald King; sister, Donna Morgan (Lee); nephew, Travis Morgan. A memorial service will be held Tuesday, November 10, 2020 at 2 o'clock in the Chapel of Parrott Funeral Home. The family will receive friends one hour prior to the service at Parrott Funeral Home & Crematory, 770-964-4800.

“ Growing up, I always looked forward to the times when Scott, Donna and Don would be coming up to NC to visit. Whether it was for Christmas when we were little, summertime visits when we were teenagers, or the few business trips he made to New York after I moved here, if Scott was on his way, I knew I was in for a good time. So many of my best memories from my youth include Scott. His brash humor was complimented by a unique perspective, backed up by a sharp mind, and grounded up by a big heart. I looked up to him my entire life. The world was more fun because he was in it, and now there is a particular void that no one will be able to fill. I will miss him always.

“ *Scott was a fixture at the country club. He always smiled and had time to chat, graced you with a smile and a friendly handshake or fistbump. I will miss you and was proud to call you my friend. The times we played poker or just sat and talked. Your pain is gone and your soul shares time with relatives and friends that have gone before you. While we will miss you we will join you one day in paradise.*

“ I always looked forward to seeing Scott when I went up to club and most of the time he was there and always with a fist bump and a smile and a how are you man. Just a really nice guy. He went out of his way to be nice people and especially my son with the big Halloween candy. Gonna miss you brother. Rest easy.

“ So sad to see Scott leave this world. When he would visit us in Hiawassee, we shared many stories, life experiences and a few tall tales while sitting on our patio on the creek. He had a sense of humor that few exceed. During his visits I most remember him sitting on the patio while eating boiled peanuts or sunflower seeds. He love a good campfire and would spend hours telling some great jokes.

Go rest in peace and know that the world is a better place because you were here.

“ Words cannot express the hurt I feel for such a tragic loss of Scott. He came into my life 6 years ago when I met his Dad. He loved life, his family and friends. He made so many wonderful friends at Summer Grove Clubhouse that instantly loved him. He was like a magnet, everyone he met became his friend. He enjoyed going to the Casino in Alabama with Don, me and Donna. He brought happiness to everyone he met. He had a heart of gold. Fly High sweet Scott. We love you and will miss you so much. I will miss hearing you call me Glo and your laughter. Love, Glo

“ Scott was our next door neighbor for as long as I can remember. He watched my kids grow up and I believe he enjoyed it too. I think he loved most hearing Denvers basketball by his bedroom window all hours of the day and night. He also couldn't wait for the next knock at the front door to help fetch the 1000th kickball and wiffle ball that came over the fence into his back yard. And when all of the neighborhood kids came over to play flashlight tag in the dark, he not once asked them to turn out their lights and call it quits. But instead, years later, as my kids moved on to college and their “busy” lives, he asked how they were doing, what they were doing, and what their dreams were. And then, he would ask me the same questions 🍷. Scott was a great man, a great neighbor and everyone's great friend. We already miss him.

“ I'm going to miss him so much , his weekly text checking in on me making sure I'm doing ok, his goofy pictures he'd send me to make me laugh and his listening ear when I just needed to vent . I only new him for a short time but in that time he became one of my greasiest friends. RIP my dear Scott you'll never be forgotten.

“ I don't even know where to begin. I met my man Scott 2-3 years ago and during that time we became the best of friends. He would roll up to The SummerGrove clubhouse every afternoon and we'd sit and talk about everything from the sports to golf course conditions. Scott wasn't able to play golf anymore but EVERYone at SummerGrove accepted and loved him as one of their own. He never met a stranger and always went out of his way to make everyone he met feel important. I am so blessed that I was lucky enough to have such a great friend in my life over these past few years. Scottso... not to worry... the Breakfast Club will hold it down for you from here on out! I love you man!
