“ I can't believe it's been 5 years since you left us to be with Jesus. My life was turned upside down and I didn't think I would be able to get up each day and go on without you. It took a long time, but little by little the pain of grief starting easing and now I can talk about you without crying. Sometimes. I still love and miss you with all my heart and can't wait to meet you by the river in Heaven. I will love you til I take my last breath. Later my sweetheart.
