“ We would like you to know how sorry we are for your loss, happy her suffering is over, but sorry for all left behind. She will be missed, remembered and loved by so many. (Personal Note from Kay) She was a wonderful person and a definite inspiration to so many of us. In trials I may have had, especially through this last year, I would think of her and she brightened my day.

“ *My deepest sympathies to your family. Becky just recently connected with me via facebook. She and my mom, Bonnie Moore had been good friends. My mom died in 2004 unexpectedly and Becky was wondering how we were all doing. What a loving caring spirit. Let the two hang out and have a good time. I hope that the memories you have will help you through this very difficult time.*

“ Life is like a patchwork quilt woven with threads made of challenges and memories. Becky was one of the most upbeat and positive people I have met in my Cumberland life. Her family continues the many traditions she cherished.
