Wow...My brother, Tony and I and the rest of the Nave Family are truly heartbroken and sad. We loved Dawn and her father, Carter very much. Although we had lost touch over the years you never want to believe anything like this can happen. Diane and Robert, our family loves you very much and we will miss Dawn and Carter very much. We had some great times in the past and I will treasure those moments forever. We love y'all very much and our infinite love, thoughts and prayers are with you always.

“ Dawn will be missed tremendously. My favorite memory of Dawn is her contagious laugh. I sat next to Dawn for the last 7 years and i will forever miss her laugh. No matter what was going on, I'd hear her laugh and laugh too, whether I knew what she was laughing at or not. I would always go over to her desk and say i love your laugh and we'd laugh some more. My heart goes out to the entire family. It was a pleasure to know Dawn, have memories with Dawn and work with Dawn.

“ *My heart is broken over the loss of my dear friend Dawn and knowing how devastating this loss is for her loving family. Dawn was MY angel sent from God! Dawn was so loved—the numerous memorials are a testament to that fact. Dawn was the reason that someone felt welcomed, seen, heard, supported and valued. Dawn was a precious light in this world and she loved her family dearly, especially her grandkids. We shared a love of jewelry so I wanted to post this picture of her with bling—she was a beautiful soul. Nothing can ease our heartache, but I know Dawn’s special light on earth will steadily glow in heaven. RIP ❤️*

“ Dawn was one of the sweetest and most gracious person that I’ve been blessed to call my friend. I have many special memories, but one of my favorites relates to being her personal Home Goods shopper. For quite some time, there wasn’t a store near her home so I made it my mission to stop by any and all Home Goods, in and out of state, to locate the latest and greatest Rae Dunn piece on her wish list. The pure delight she expressed whenever I found that unique knickknack always warmed my heart - and of course, anything ‘pumpkin’ related became her new favorite. Rest In Peace dear angel - you will forever be near and dear to my heart.

My deepest condolences to the family...Love PC

She often spoke of her family and how much she loved spending time with her husband, children, and grandchildren. We will always remember her and I wanted to express our deepest sympathies for you all during this time. I've included a picture of Dawn and our team when we took a small plane from New Jersey to our headquarters in Washington, DC.
