“ Jack, Stewart, Noel, & family!
Sharon will be missed terribly!!! Without Sharon I wouldn't be where I am today with my job. She was my mentor when I first moved to Atlanta. With her beautiful smile and calming spirit, she enabled me to push through learning the process. I loved working with her for 8 years and living your lives through her. We had a lot of laughter and tears during that time. My one regret is that I have been so caught up in life that I didn't keep in close contact with Sharon! I loved her dearly!!! You are in our thoughts and prayers! She was loved and will be missed!!

“ Sharon was always a kind and caring person. She impressed me with her classy style and sweet voice. She spoke often of her love for her family and especially her grandchildren. May God Bless and comfort all of Sharon's loved ones and may you cherish fond memories always.

“ I worked with Sharon at Wachovia/Wells Fargo and she was a wonderful colleague and friend. She was "upfront", honest, giving and caring. I am so saddened to learn of her passing. My main memory is when we would leave work and Jack would be waiting for her outside. I observed her wonderful love for Jack, and her extreme concern whenever he had the least problem. We will miss her so much, but she is at peace with the Lord, and in a moment, in the twinkling of an eye, we will all meet again. See you in the morning, Sharon.
