“ Having Sharon as a coworker and friend was something I will always remember! She was so smart and full of knowledge and was willing to take the time to help me understand work stuff in a way that was easy for me to comprehend and I always appreciated that. I learned A LOT from her and for that I will always be grateful. She was always willing to help me with stuff outside of work when I came to her for her expertise. Thank you for being a friend and giving me advice and giving it to me straight when I needed to hear it. Sharon you will be missed greatly thank for the mentorship and kindness all these years! Mike I am praying for you and the family, you guys are in my prayers!

“ *Sharon Marie Minery... my favorite name in the whole world.*

*She was an angel who walked among us,
a gentle light in a world that can be so dim.*

*The kindest, most generous soul I have ever known,
always giving, always caring,
always placing the needs of others before her own.*

*Her heart was as big as the Montana sky,
open, endless, and full of love.*

*I was blessed beyond measure
to share such a deep and meaningful relationship with her—
to know her was to be truly seen,
to be lifted, to be cherished.*

*She was truly one of a kind,
a rare spirit whose absence leaves an ache
that words can scarcely hold.*

*She will be deeply, deeply missed,
yet her love will echo in our hearts forever.*
