“ *I'd know Shaw since we both lived in Queens circa '1988. We grew up together. I was there when he first met Bertha, we took a Aerobics class at the Bally's on Union Turnpike. While at the same time working at OCS Security. Bertha and he, attended my Son's Baby shower in 1998. We partied, work and knew each other for a good period in this movie we're all in.*

I always looked for him, even went to Memorial Sloan Kettering in NY. and inquired was he still there/transferred or if anyone personally knew him or where he went. Not being on any Social Media at those times.

I will miss my Friend, disappointed we didn't/couldn't catch up as they say.

My Condolences to the entire family.

God Bless Brother.
