“ There's so many memories to share between us. We worked together since 1978. We laughed, cut up, poked fun at, set in the brake room together,had lunch together, competed against each other. Shelby, you were just like my sister. I will miss you.

“ Death beckoned her with outstretched hand
And whispered softly of "an unknown land"-
But she was not afraid to go
For though the path she did not know,
She took death's hand without a fear,
For He who safely brought her here
Had told her He would lead the way
Into eternity's bright day...
