“ My name is Amelia Silver & I was Alan’s & Robyn’s babysitter many many years ago. A few years later when I divorced my first husband, I moved in with Sherba & Alan where I met my present husband whom I’ve been married to for 54 years next month. I remember both of her marriages to Bill, funny that my daddy married my stepmother twice too. My husband & I still kept in touch with Bill & Sherba over the years with Bill’s love of golf & boating we had much in common. We never missed exchanging Christmas cards & hearing about each others families & birthday cards every year as mine & Sherba’s were only a day apart. I even received one from her just last month. I will miss my dear friend. Bill you take care & we love you too! And to Alan & all of those beautiful children, grandchildren & great grandchildren my thoughts are with you, she will be missed.❤️
