“ *To Aunt Mary, cousins Colleen and Chris along with their families I am so sorry for your loss. Your father was always fun to visit with. I enjoyed my visits with him and your mom when I was able to combine a business trip with spending time with them. They were so generous to open their house up to me. My mom appreciated the wonderful experiences she had with them as they took her on many trips she has never forgotten.*

“ Chris, as I've car pooled daily with you and seen, as you put it, "this brutal illness" take it's evil course, I've seen you lean on the only hope there is. Jesus. It was my privilege to meet your father but I'm sure I will only get to truly know him once we've been renewed. Looking forward through the current gloom.
