“ *Laura and Bryce, There are no words that can express how sorry we are for the pain and loss you have experienced. I wish we knew what we could do to make things better and easier for you right now. Please know how much you are loved and that there are so many who truly care about you. When I lost my parents and other family members I did find comfort in knowing this is a temporary separation and we will be reunited again one day in Heaven. Praying that God will walk with you every step of the way. We love you, Larry and Gloria Hayes*
