*Ardith, Deb and Danny, my heart is so sad with the passing of our sister. I just wish we could all have been together. It didn't happen that way. Since I am unable to be with you all, remember I am with you in spirit. I love each of you. God knows how much. May God give you the peace and comfort you need. Let's remember the good old days. Love you my precious siblings. Always here for you. At 11:00 know I am sitting right there with you love you all. Dot*
