So many memories are flooding thru my heart. You were my favorite aunt and you were also my friend. When I was growing up you were always there for me. We had so much fun. One of my favorite memories is you teaching me how to drive. We laughed until our bellies hurt. Oh and how I loved your biscuits on a Saturday morning with sorghum and butter. So good. Sometimes when Richard had to work 2nd shift I would spend the night and we would dance in the living room for hours. I could go on and on. You will be missed but will always be in our heart. I love you.....
