“ Shirley was one of my favorite sister in laws. She was there when my Mom and Daddy passed. Loved you to the moon and back, all of your nephews said the same thing.....

“ Shirley was a wonderful niece. She was so much fun to be with. I will never forget the year that my sister Glenda, Wanda , Shirley and myseying If went on a cruise together. All of us had such a good time! No matter how rough life got, she always had a smile on her face, and never seemed to complain. All of our lives will be so much sadder without her being at our family gatherings. I know she is happy now, and has no worries or pain. Still, though, I just can't believe she has left us. Praying for her daughters, and her siblings. RIP in heaven, Sweet Niece.

“ My sweet aunt Shirley. We always had a special relationship and there would be times that we didn't see or speak for a year or so, but it was always like no time passed when we did. I miss you and love you. Rest your tired head

“ My big sister, words cannot explain how much she meant to me or how much I loved her! My heart is just so broken! We had so many good memories together in our adulthood. Shopping with our coupons was our “thing”. Shirley had such a unique sense of humor and could make you laugh out loud when you shouldn't. My world has lost a little light and the love of a true friend, my big sister!

“ *My heart is breaking as I know yours are. I loved Shirley so much and though we didn't get to see each other that often - we always picked up where we left off. I have a bank full of memories of 56 years of her and I will cherish those forever.
Love you all and wish I could be there with you.*
