“ Vee, I never had the pleasure of meeting your mother. But, based on what I've read and heard she was an awesome woman very much like you her daughter. I lost my mother last year and can somehow relate to what you're experiencing now. Let's get together soon so I can hear more about your mom. Love you. Gary Sloan

“ Annie, Mama Bun, Vee, Tao Pa and all the family we send our love and condolences to you all. We had the wonderful fortune of knowing Tao Mae and feeling her love surround us. Always open arms, a smile and feeding people. I will always picture her garden of greens in the backyard and her beautiful flowers. The very first day I met her I felt at home and with family. Such warmth and peacefulness from her always. Thank you so much for sharing her with us. Much love to you all.
