“ *I am so sorry that I am just now hearing of Stacy's passing. He was a regular at the Cust Svc Desk looking for parts when I was there 2019-2021. I always enjoyed his kindness and calm demeanor when he came through and we always had small talk. He offered advice, shook his head at the young ones he was mentoring, and always managed a smile. He will be greatly missed. Thoughts and prayers to the family even if belated.*

No one knows what heaven will be like, but if there are any light switches there I feel sure you will flip them off from another location just as someone else turned them on. I was blessed to have known you, You rock my brother.*

“ I was stunned to hear of his passing, He was a very funny person always had a smile on his face. He was one of the very first people I meet when I moved hear from NY. He always made me feel welcomed. He would always say "Shalom" to me when he found out that I was from Israel. May he rest in peace.

“ I met Stacy at ABAC. He was a good guy, funny and fun to be around. A very dry sense of humor. We went to several rodeos together back in the day and they were always an adventure. Rest in peace "Monty"!
