“ Sarah

*We are all so saddened by the news of my buddy Stanley. He was a true friend to me as well as my Daddy. I know he has fought valiantly through all of these years. We have gotten Momma home from the rehabilitation center today and will not be able to drop in, but know our thoughts are with you and the girls. Continue to keep us in your prayers as we will you.*

*What a pleasure it has been to have the Teague's as our next door neighbors for almost 27years. They are true Christians who love God. Stanley always had a smile for everyone. We have always been so blessed to have this family in our lives. Stanley Teague will be missed by so many people. Although we know where he is and we will some day see him again. God bless this family. The Gilley family ❤️*

*Oh Sarah and girls I hate so bad to hear this but we have to be happy for him cause he suffers no more. He was so stinking sweet and I had rather pick at him than eat. Praying for you all because prayer is what gets us through these times. Love to you all. Jan*

*I haven't seen you in years but we always thought a lot of you during those earlier years. A lot of water has went under the bridge, so to speak, since then. I know where you're at, because I was there little over ten year ago. I feel for you and will remember you in my prayers. " when God takes you to it, he'll see you through it"*
