“ *There will never be another one like you Stan. You've made me laugh, second guess myself and made me feel loved all at the same time.*

I still can't believe the news. You've always been a hardworking , go getter with the energy of a 20 year old (Not today's 20 year old, I am talking old school 20 year old).

I am thankful for our friendship, laughter , stories, tears and love we have had for almost 35 years. I'll keep a high heeled shoe and a picture of Marilyn Monroe just to remind me of you.

You'll always be the "Instigator " in my world, no-one will ever fill that spot. Go see your Mama, daddy and little girl up there in heaven , it's time for you to rest buddy. I love you crazy man !!
