In Loving Memory of
Star Lila-Louise Huntley
October 1, 1982 – June 25, 2025

It is with deep sorrow that we announce the passing of Star Lila-Louise Huntley, who departed this life on June 25, 2025, at the age of 42. Born on October 1, 1982, in Jacksonville (Camp LeJeune), North Carolina, Star brought light, laughter, and love to every life she touched. Her radiant spirit, infectious sense of humor, and boundless kindness made her unforgettable.

She was baptized at an early age at Goodwill Baptist Church in Seattle, Washington, by Rev. Paul A. Stoot, and spent much of her childhood rooted in faith at Greater Trinity Baptist Church in Everett, Washington.

Star dedicated much of her professional life to service, working with both Delta Air Lines and the Holland America flight department. In every role, she was respected and admired for her warmth, integrity, and compassion toward colleagues and clients alike.

A natural performer, Star lived up to her name—shining brightly in the arts, both on stage and on screen. Her comedic timing, vibrant presence, and magnetic charm lit up every production she was a part of, leaving audiences

moved and inspired.

She is lovingly remembered by her mother, Angela Kaye Braxton, her father, Rev. Bobby Raye Huntley, her stepmother, Angelia Huntley, and her grandmother, Louise Braxton. She leaves behind her beloved children, Michael Uriyah Deon Brunson Jr. and Mikijah-Raye Angela Jean Brunson, along with their father, Michael Deon Brunson.

Star's legacy lives on through her cherished siblings: Tanginika La'Shae Braxton, Bobby Raye "Hollywood" Huntley II, William Henry Hollinger, Diamonte Gabriel Marquis Huntley, and Mikael Omega JL Huntley. She was a proud and devoted aunt to her many nieces, nephews, grand-nieces, and grand-nephews—who lovingly called her "Auntie Queen Biscuit."

Star Lila-Louise Huntley will forever be remembered for her fierce love, joyful energy, and the indelible mark she left on every heart she encountered.
