“ There are so many memories of my little brother. Growing up on the farm; he was always the inventor, explorer or on a new adventure exploring all things wonderful that living on a farm can bring! I don't know how we all survived! He's been a fighter and determined to make the most of his days here on earth. We will miss him dearly ; but we know where he is and he will be exploring Heaven with all our loved ones and the Heavenly Father. Rest easy with no pain until we all see you again! Love you.
