“ My condolences to the family. I know from experience how hard a loss of a dear family member can be. The Bible gives us hope that these are temporary conditions. Revelation 21:3,4 gives us comfort because it's a promise from God that death will be done away with. An encouraging magazine entitled "When a Loved One Dies", can be found on website www.jw.org. I'm sure the family will appreciate the information in that article.
