“ *Alice Schenfeld was our Aunt. She was the hardest working woman ever, living on a small farm, no running water, no indoor facilities, no complaints! We visited for the first time many years ago while in the Navy and we had four children at the time, quite young. She took to the children and they took to her as well as Uncle Ray and our cousin Kathleen. Aunt Alice cooked so much we couldn't get hungry in between meals! She was just the good, good-hearted, good natured person you are so blessed to have known. I know she is now with her son that she lost so long ago. And with Ray and all the others of her family. Our love to her and her caring daughter, Kathleen. Eric and Carleta Schenfeld*

“ *She was a great aunt to us and our family. We loved her very much and will miss her.*
