“ *I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.*

“ I have so many cherished memories of my Granny. I remember spending a lot of time during my younger years at her house on Cone Road, family holiday celebrations, great cooking, green beans, big gardens, making popcorn on the stove, Canton house, scrapbooking bulletin boards for her at Baptist Manor and her 80th birthday party - just to name a few. She always put family first and knew how to make you feel loved. I feel incredibly fortunate to have you in my life for so long, Granny. And I am so glad that you are no longer in pain or suffering. I know Debbie, Mike and Papa, along with Joan, Beth and Billy were there to welcome you to your eternal home. Rest easy. You built a beautiful family and left this world a better place. Until we meet again, I love you and will miss you.

“ *My Mother was a very special person. She was hard working and family oriented always. She did what she had to to. She loved her grandchildren and puzzles! I will never see a jigsaw puzzle without thinking of her. I hope she celebrates eternity with her loved ones who passed before her without pain and wonderful, clear memories! I love you, Mom.*
